RESPONSIBILITIES

Data Focused Responsibilities:

1. Oversee A2P2's data functions across all program areas to communicate the impact of A2P2's programs and to support advocacy activities.
2. Identify and develop appropriate data visualization tools and support organizational outreach activities by integrating data into A2P2's communications and storytelling.
3. Oversee the creation of reports, scans and white papers on topics important to pediatric health in Alaska through collaboration with A2P2 staff and hired contractors to increase understanding of key issues, advocate for change and further the organization's mission through data and education.
4. Oversee external evaluators and work with them to formulate evaluation questions, gather data sets, interpret results and develop/revise data collection processes to support the implementation of recommendations.
5. Oversee external vendors through collaboration with A2P2 staff to optimize database systems for use by A2P2, including planned and emergent changes to the database along with corresponding documentation and ongoing CQI projects and high-quality data maintenance.
6. Collaborate with A2P2 program leads to ensure data collected represents outcome-level information and the impact and meaning of the organization's work can be expressed through appropriate analysis.
7. Create and distribute accessible data reports, dashboards and other data requests in the format, and at the level and detail required by internal and external stakeholders.

8. Use software applications, such as Microsoft Word, Excel spreadsheets, relational databases, and graphic packages to assemble, manipulate and/or format data and reports, including data visualization and interpretation.

Policy Focused Responsibilities:

1. Collaborate with A2P2 leadership team in the formation and evolution of A2P2's policy priorities.
2. Collaborate with A2P2 leadership and staff on all advocacy efforts and stakeholder outreach including relationship building and communication with policy makers and their staff.
3. Work with Partnerships Lead to form and provide oversight for A2P2's Advocacy Coalition.
4. Supervise the Data & Policy Coordinator and support them to:
 - a. Be responsible for coordinating A2P2's Advocacy Coalition and related activities.
 - b. Track and monitor local, state, and federal legislation and draft public comment, testimony and other forms of feedback meant to influence policy at all levels. This can include written or oral statements to be given by A2P2 staff, joint statements with partners, and facilitating the participation of large stakeholder groups to provide input on priority topics.
 - c. Research, track, and provide recommendations about bills during legislative session, including efforts related to A2P2's policy priorities or programmatic work and other proposals that would impact A2P2s strategic priorities or partners.
 - d. Develop briefing materials and reports (oral and written) including legislative reports, one-page handouts, and talking points.
 - e. Plan and participate in A2P2 legislative activities, travel and support other A2P2 events as needed to enhance audience education on key issues and A2P2 advocacy efforts.
5. Attend hearings, workgroups, taskforces and other meetings as needed.

ORGANIZATIONAL STANDARDS

1. We are guided by our mission: Transform systems of care and increase equitable access to health care and related services to ensure all Alaska's children reach their full potential.
