### **Add-on Sponsorship Options** (*must be coupled with a standard sponsorship level*):

Interested in sponsoring a specific component of the Pediatric Symposium (For example, coffee/tea station, breakfast or lunch)? We offer the opportunities to uniquely highlight your organization with an add-on sponsorship coupled with a standard sponsorship level. Sponsors for these components will be highlighted with individual signage at the conference in addition to receiving the benefits of the relevant sponsor recognition level selected.

**Please consider partnering with A2P2 for this well-regarded Pediatric Symposium and support high-quality education for Alaska's pediatric providers.** For additional information, please contact Kaylie Bylsma: [symposium@a2p2.org](mailto:symposium@a2p2.org) or call 907-531-5926.
